GENERAL RULES

Waterlooville Golf Club has always prided itself on high standards of etiquette, dress and personal discipline. Club Rules have been established by the Committee to maintain these high standards and any member who persists in flouting these rules is being disrespectful to other members. Article 6.2 gives the Committee the power to suspend any member who willfully infringes any Club Rule (see also Club Rule 2.8 of this Handbook)

Dress Code on the Course

Any member, guest or visitor not suitably dressed will be asked to leave the course. It is the responsibility of all club members to enforce the dress code.

- Men's shirts must be collared or high neck with sleeves, and these must be tucked into trousers or shorts.
- Ladies are permitted to wear sleeveless tops with a collar or high neck. These need not be tucked into the waistband if so designed.
- Denim jeans, tee-shirts, sleeveless shirts (gentlemen), football, cricket and rugby shirts, running shorts and training shoes are not permitted at any time.
- Trousers or shorts must be tailored, not 'cargo' style. Shorts with external flat pockets are permitted. Trousers must not be tucked into socks unless specifically designed to be worn this way, e.g. plus 2s or plus 4s.
- When wearing shorts, gentlemen must wear long socks, ankle length socks or trainer socks that are plain and matching and they may be of any colour. Golf shoes must be worn when playing (except for Juniors aged under 14).
- Peaked caps may be worn provided that the peak is faced forward.

Dress Code in the Clubhouse

Any member, guest or visitor not suitably dressed will be asked to leave the club premises. It is the responsibility of all Club members, guests and visitors to adhere to the clubhouse Dress Code. Relaxation of the applied standard of dress is the prerogative of the Club Captain. The applied standard is as follows: -

- The dress code is smart and casual at all times in the clubhouse. Jeans are acceptable, however, they are not to be of the ripped variety. Tee shirts with slogans that may be offensive to others are not permitted.
- Suitable footwear must be worn at all times, golf shoes are only permitted in the locker rooms and Snug Bar.
- Wet and muddy clothes worn on the course are not permitted.
- Hats must not be worn.
- On occasions when more formal, or more relaxed attire is required, members will be informed prior to the event.

The committee, management and staff are authorised to enforce the dress code at all times. Individuals not observing the above rules will be asked to leave the premises. Members shall at all times be responsible for their guests.

Etiquette on the Course

All golfers are expected to be fully conversant with The Royal and Ancient "Rules of Golf", Section 1 "The Game, Player Conduct and the Rules". The safety and consideration for others, priority on the course and care of the course are to be paramount considerations of all golfers and Waterlooville Golf Club expects everyone to be diligent in the application of the rules of golf, players conduct and health and safety.

Mobile Phones

Members and their guests are welcome to use mobile phones and tablet devices anywhere on Club property in the silent mode for use such as emails, text and instant messaging, accessing apps, photo browsing, diarising, internet access, inputting of scores, and GPS measuring.

Use of a mobile phone or tablet in the non-silent mode, such as for phone calls, video calls and watching of videos, is only permitted in designated areas in the Clubhouse (Snug/Spike bar, upstairs rooms, locker rooms, main corridor) and in the car parks. Use in the non-silent mode in other areas is strictly prohibited except in the case of an emergency.

Smoking Policy.

Smoking is prohibited throughout the entire Clubhouse and Greenkeepers sheds and any other permanent or temporary buildings with no exceptions, including the use of e-Cigarettes and other such vapour-emitting devices.

Guests of Members.

A Member introducing a guest must ensure that the guest's name is entered in the relevant Guest Book either in the Professional Shop if playing golf or behind the bar if attending socially. This is a requirement of the Licensing Laws and is to be strictly observed. For guests of Juniors, see Rule 10.10.1 of this Handbook.

Dogs.

Dogs are not allowed on the Course or on the Club premises; exceptionally, Guide Dogs are permitted in the Clubhouse.

Car Parking.

Vehicles should only be parked within the designated areas especially provided for the purpose. Parking associated with Waterlooville Golf Club is prohibited in Idsworth Road, the approach road from Cherry Tree Avenue, or where there are painted yellow lines. Parking is also prohibited in any of the spaces 'RESERVED' for Club Officials and staff other than those individuals currently holding the relevant position. Members violating this Rule will be warned initially; members who commit aggravated offences will be liable to disciplinary action under Article 6.2 and Club Rule 2.8. Members/Visitors parking is directed by the Club notices as posted or with due reference to the Secretary. When both car parks are full, members may park on the lower (western) end of the practice area.

Starting Tees and Times.

The 1st and 10th tees are official starting tees. Play should not commence from any other tee, unless otherwise designated by the Committee.

Practice on the Course.

The playing of two golf balls or more by individuals on the golf course is not permitted. Practice must be on the designated practice area, NOT ON THE GOLF COURSE.
